

## Warrior Wrestlers in Season Finale at Tournament Friday

El Camino College's wrestling team, battered by injuries and scholastic problems, closes out the 1959-60 season tomorrow afternoon at 1 p.m., when it enters the two-day California State

JC Tournament at San Bernardino Valley College. Dale Deffner (115), 9-2-1, Darrell Gilman (167), 4-5, and Alex Munson (177), 3-7, are the only three regulars left from the start

of the wrestling competition. At the beginning of the spring semester, El Camino had an outstanding record of 14 victories in a row and 23 of their last 24. Then the wrestling jinx plagued El Camino's coach, Dave Hengstler, and the Warriors dropped three of their last four.

Gary Veach (130), 7-2, Warrior wrestling team captain is suffering from the flu, and it is doubtful whether or not he will be ready by this weekend.

Unbeaten Dewey Weber (137), 6-0, and 63 victories in a row over a six-year wrestling period is out with a dislocated right elbow and is not expected to see action.

Sensational Cliff Guillory

(147), 6-1, used up his final semester of eligibility. Unbeaten Warriors Don Elsler (137), 4-0, Larry Davidson (157), 2-0, and Frank Dolice (167), 6-0 were declared ineligible as was Mike Hunter (heavyweight) with a 6-2 mark.

### Chapel Wins Citation

Charles Edward Chapel, member of the Assembly, 46th District, has been awarded a citation for distinguished public service by the Lincoln Sesqui-centennial Association of California in appreciation of his contribution to the Lincoln Sesqui-centennial Program.

Just jumping around. We are finally getting a little use out of the closed reservoirs in this area. Although we can't fish in them Fish and Game is using some of them to grow bass and Crappie for stocking in open reservoirs and lakes. Puddingstone received 207 brood bass weighing between 3/4 and 5 pounds and 3,725 crappie about 7 inches in length. El Capitán received 200 bass about the same size and will get 200 more just before opening, March 31.

Casitas, the new fishing spot which opens in the spring of 1961 was stocked with 1,200 threadfin shad which serves as food for all game fish. They reproduce quickly and do not compete for the natural food in the lake. These small shad are the reason that lakes like Mohave and Havasu produce such big bass and so many bass. It enables the lake to support more fish than natural food could in the past.

The Colorado river is picking up now after the weather and high water had made fishing poor in the last few weeks. The Ferguson-Martinez area is producing good crappie fishing and some big bass on deep trolling. Davis, Three Fingers, and Davis Lakes below Blythe have been hot for Crappie if you fish in the deep holes. Bass fishing has picked up in the lower part of Havasu above Parker Dam. Trout has also improved in the Needles area of the Colorado River. Fish and Game is continually stocking catchable size trout in this area.

Closer to home, Railroad Canyon was fair with a 5 pound bass taken on a rubber worm moved slowly below the surface. Cachuma is producing many limits of bass but the size is still averaging only about 1 pound. Henshaw is fair on crappie but the bass are still in deep water and trolling is best with bombers and sonic plugs.

Lakes opening this month. Wolford, March 11. Call Sherwood 5-5322, Irvine March 16 sold out for opening Sherwood call HUDSON 5-2512 opens March 19.

Salt water fishing. The local landings got good weather and as I predicted the surface fishing swung into high gear. Redondo reported over 100 yellowtail for the weekend mostly taken near Rocky Point. The Bubble Hole is giving up some bonito while the Redondo Breakwater is good for Bonito and Opaleye. Watch for the Horseshoe Kelp to produce some real good fishing. Not too many boats fishing this area and it should start to produce when the water warms up a few degrees. The Baracuda at Rocky Point are getting larger in size and the jig fishermen are getting good catches by working near the bottom. Chrome and white jigs are best.

The San Diego Derby opens at the end of this month but so far the yellows are still spooky at the islands. Odd currents and colder water are blamed for this lack of fish but the commercial boats report a mass movement of yellows now on from Mexico so it could break open any day.

For more information call Mel at Sportville U.S.A. FA 8-2178.

## Cancer Forum to Be Given at Temple Menorah

Tuesday evening, March 15 will mark the biggest event of the year for the Men's Club of Temple Menorah. At that time, a symposium on cancer will be presented by a panel of medical doctors.

Each member will speak on cancer in relation to his special field of medicine. An analysis will be made of the early detection and treatment together with information on how the individual best can

help his family in early detection. The audience will be invited to present questions. The program will be preceded by a barbequed-chicken dinner. Reservations are being handled by Fred Spangler, FR 4-3985. Dinner will be at 6:30 p.m.

## Socialites Seen Dining at Polynesian Restaurant

Seen enjoying the south seas atmosphere, exotic foods, and island music at the Polynesian Restaurant in Torrance were Mr. and Mrs. Ernest A. Ellestad of Hollywood Riviera, and Mr. and Mrs. Charles F. Stanley of Torrance.

TRY THAT-A-WAY says farm gal Mary McMillen to the auto industry's secret agent as she points out a route across the plain for the Mobilgas Economy Run which winds up in Minneapolis.
